Email connect@dayspring.church for more information.

For off campus groups, please visit the Connection Desk in the lobby.

Engaging in life-giving community is essential to your development as a follower of Jesus. Our small groups afford an opportunity for adults of all ages to connect with others, study the Bible, pray for one another and establish accountability.

For information or assistance in connecting with our small groups that meet here on campus, or some options for off campus groups, feel free to email us at connect@dayspring.church or call the church office at 251-633-0250.
