UPDATE **MISSION FORWARD** 

Mission Forward provides a resource for Dayspring to aggressively reduce our church debt while investing in the mission of Jesus with ministry and mission partners. Here are few examples of our Mission Forward investments:

- McKemie Place: Our region's only shelter for single homeless women. Provides shelter, meals, employment training, emotional/spiritual support.
- Doulos Partners: International partner that focuses on providing gospel access to the global community. Presently, gospel work is being done in 76 countries with over 24,000 churches planted and more than 7 million recorded professions of faith in the past 12 years.
- Home of Grace: Local ministry partner that provides a gospel-centered program for men and women who are struggling with addiction. This past year they served over 500 people with 72% completion rate & 102 professions of faith.

City on a Hill | Boston, MA

Steven and Amy Castello, along with their 4 daughters, are in the process of planting a church in Forest Hills where four diverse communities converge to create an eclectic community of young professionals, immigrants and native Bostonians. 4.9 million people reside in Boston of which only 3.2% attend a gospel-believing church. Please pray for Steven and Amy as they seek to undo lostness in Boston.
