Since September 7th is a holiday, this month's Senior Life lunch boxes will be prepared on Monday, September 14th. Please reply to Suzan Bacon with your order. If you are a senior adult and do not currently receive notifications about lunches and other information about Senior Life at Dayspring, contact us at connect@dayspring.church

On Campus Small Groups

Small groups are starting back this coming Sunday, August 16th. If you are the parent of a preschool through 12th grader, those groups will meet at the 10:30am hour. It is necessary to register them at this [link](#). Several adult small groups will begin meeting at both the 9 and 10:30 hours. Small group leaders will take a record of who is attending. No registration required for adults. All of our groups will practice social distance etiquette. If you are not currently involved in a group, email Roy Hill at rhill@dayspring.church for more information.

Living Hope Vietnamese Community Church | Pastor Jason Bedell New Orleans LA

This month we are highlighting our church plant partner in New Orleans, LA, Jason and his wife Hong-Thu. They are planting a church in New Orleans East. There are about 14,000 Vietnamese living in this area with no evangelical church for this community. As with many church plants, the work is moving forward slowly as Jason and his team develop the trust of their community. Jason and Hong-Thu have recently experienced significant life changes with the death of his mother and in their daughter heading off to college. Pray for Jason and his team as they are prayer walking this month and will be starting door to door visits in September. Part of these visits include the gift of a mask provided by Dayspring.
